RE: Periodic Compliance Inspection
Mars Hill Corporation
Boone County, Kentucky

DATE: August 7, 1984

During the inspection on August 1, 1984, by the Division of Utility Engineering and Service, it was found that the Mars Hill Corporation is now in Federal receivership pursuant to Federal Bankruptcy Codes. According to Mr. Jack Hughes, PSC staff attorney, the treatment plant is part of the receivership proceedings; therefore, PSC has no current jurisdiction over the utility.
